A Note from Montana Secretary of State:

One of the most important rights we enjoy as citizens of our state and nation is the right to vote for the people who make and uphold our laws. This right is the foundation upon which our democratic form of government is based. Many people in the world do not share this right. It's a civic duty we should all feel privileged to perform.

Year after year, Montanans have demonstrated their strong sense of community and their commitment to democracy by having one of the highest voter turnout rates in the nation.
