You don't need a driver's license
to compete in NASCAR.
Technically, a state's driver's
license is not needed to compete
in NASCAR. Even drivers who have
had their actual driver licenses
suspended for everything from
reckless driving to DUIs were
still able to race in NASCAR.

The Yellowstone River is the longest free-flowing (undammed) river in the contiguous United States. The longest river in the U.S. by miles, the Missouri River, begins in Montana at the "Three Forks" - the intersection of the Gallatin, Madison and Jefferson Rivers. Flathead Lake is the largest fresh water lake west of the Mississippi River.

Abraham Lincoln is in the Wrestling Hall of Fame. Defeated only once in approximately 300 matches, Lincoln reportedly talked a little smack in the ring. According to Carl Sandburg's biography of Lincoln, Honest Abe once challenged an entire crowd of onlookers after dispatching an opponent: "I'm the big buck of this lick. If any of you want to try it, come on and whet your horns." There were no takers.

Montana is the only state in the U.S. with a Triple Divide, which allows waters to flow to Hudson Bay, the Atlantic Ocean, and the Pacific Ocean.
